

Factory equipment

has 15 years professional manufacturing experience in aluminium furniture products, meanwhile we imported original most advanced Italy BOTERRO processing machine, top level of 5-axis aluminium CNC center and created our own eco-friendly powder-coating production line, which guarantee our quality and final product finish and product tolerance can be controlled within 0.1mm.

Ingenuity

Ingenuity, a familiar term. But what exactly is ingenuity?

Ingenuity is to continuously focus on doing one thing well, without distractions, automatically shielding all external interference, and pursuing the perfection and ultimate of the product until you are satisfied.

Keep improving and be
brave to innovate

The strength of the metal, its smoothness,
its light effects are the fruit of wisdom
made of fire, water, gestures, technologies, which has its roots in time.
The strength of metal, its polish and its light
effects are the result of an expertise stemmed from ? re, water, moves, technologies that are rooted in time.

A minimalist, white architectural space featuring a series of rectangular columns and a long, low shelf. The scene is brightly lit, creating a sense of depth and light. The columns are arranged in a perspective that leads the eye towards the background. The shelf is a continuous, low-profile structure that runs along the length of the space. The overall atmosphere is clean, modern, and serene.

Let the atmosphere of quality
and comfort permeate you

Free-flowing movement is elegantly captured in serene compositions that focus on essential lines and steer clear of extraneous detailing. and shelving in light-filled spaces projecting a relaxing and reflective ambience.

High-quality logs, large diameter, straight texture, hard wood, not easy to deform, and full of elasticity, compression and bending strength, resistance to fall, long shelf life

Meeting is the
beginning of the story

Exquisite aluminum shelf, a delicate interpretation of simple aesthetics.

**Mi allungo per prendere. Mi raccolgo per indossare.
Nel mio spazio che sa organizzare.
*I extend myself to fetch. I bend down to wear.
In my space which knows how to organize.***
